## **Section I. General**

### **Mission Statement**

New Life Christian Academy Hybrid is committed to excellence in Christian education and the preparation of all students to achieve success through innovative instruction and academic rigor that promotes the development of the whole child, spiritually, mentally, and physically.

### **New Life Christian Academy Hybrid's Philosophy**

Christian education is based on these three premises:

The earth and its fullness thereof are of God and are His property;

Man is given the responsibility to have and maintain dominion over God's earth;

Man must be prepared before God to perform this responsibility.

Therefore man must be trained to view the world and life from God's point-of-view. (Christian education starts in the home, with parents following biblical principles and mandates for the education of their children. New Life Christian Academy Hybrid serves as an extension of the home and is an essential element in the partnership – home, school, and church – necessary to fulfill a complete and total Christian education for children.) Biblical principles and Godly character training is core to our educational programs; we are being obedient to God's mandates by providing a Christ-centered learning environment for each child in our school.

### **Statement of Faith**

We believe the Bible is the inspired Word of God and Divine revelation of Jesus Christ, God's son. We believe in the Trinity of the God-Head: the Father, the Son, and the Holy Spirit. We believe that Jesus Christ was born of a virgin; walked upon and ministered on the earth; died the death of the cross; arose from the dead; and is now seated at the right hand of God. We believe that man's only salvation is through the recognition of the Lordship of Jesus and the acceptance of Him as Lord and Savior. We believe that Jesus Christ has sent the Comforter, in the person of the Holy Spirit and that we may be filled by Him and speak in other tongues as He gives us the utterance as recorded in God's Word. We believe in the gifts of the Spirit as expressed in I Corinthians chapters 12 – 14, being manifested in the local church. We believe in water baptism by immersion after accepting Jesus as Lord and Savior. We believe in

the celebration of the Lord's Supper in remembrance of our Lord, Jesus Christ. We believe in the total substitutionary sacrifice of Jesus – He was made poor that we might be rich. We believe that God is our answer, not our problem, and that He does not use sickness, disease, test, trials, and tragedy to teach His children, but instead use His Word to instruct us in the ways of righteousness. We believe in the second coming of Jesus Christ and that we, as members of His Body, shall reign together with Him. We believe in conducting our business and personal lives in a manner that will not bring dishonor or reproach to the Name of Jesus. We believe in the building up of the Body of Christ through the assembling of ourselves together for fellowship and the teaching of God's Word.

## **Non-Discriminatory Policy**

In the spirit of Christian unity and the love that Christ shows for all mankind, New Life Christian Academy Hybrid (NLCAH) does not discriminate on the basis of race, sex, national origin, or physical disability. However, NLCAH does reserve the right to use appropriate selection criteria in fulfillment of its goals and objectives for employment and student enrollment.

### **School Enhancement Fees**

A set bi-annual fee has been established to aid in the overall expenses and needs of the Academy.

Parents will be informed of the school's objectives for enhancement, and whether or not the goal

has been met. Donations above and beyond this amount are always welcomed. In lieu of a fee, the

Academy will provide parents a fundraising opportunity to provide the funds needed to enhance our

Academy.

### **Student Drivers**

All students who drive cars to school must register their cars with the transportation manager. If the student drives more than one family car, each car must be registered. Registration will be on an annual basis. Drivers are not to exceed 10 mph on school premises and should drive with extreme caution to prevent accident or injury. Students are to park in the designated area(s). Violation of regulations may result in withdrawal of permission to drive on school property. Cars are to be used for transportation to and from school only. Students are not to be in or near the cars during school hours.

### **Parent-Teacher Fellowships**

Parent-Teacher Fellowships are functions that allow the adults to meet on behalf of the child in a more informal gathering. These functions may be as a stand-alone event, or as part of a student-oriented event. Since continual communication between the parent and the teacher is vital to ensure the child's successful academic development. Therefore, attendance at the fellowship provides the 'human' contact between the parents and teacher, and gives the parent first-hand information on what is expected from the child in order to succeed.

### **Teacher/Administrator Conferences**

We welcome your requests for conferences. If a parent needs to speak to an individual teacher, he/she may make an appointment by contacting the office or writing a note to the teacher or administrator. Please do not ask to speak to the teacher during school hours without an appointment.

Conferences are held within the regular office hours; primarily during the teacher's conference period. To assist you in conducting a productive conference, the following guide is available for your use:

### Before the Conference

Decide what you want to ask the teacher. Discuss the forthcoming conference with your child to see if there is anything he/she would like you to talk about with the teacher. Attempt to get the facts about a school situation before reacting to it. Discuss concerns with your spouse. Ideally, both parents/guardians should attend the conference. To make certain all concerns are addressed, parents/guardians are encouraged to bring personal notes relating to the conference.

Determine what you can tell the teacher about your child. The teacher sees only one side of your child and there may be things you know that could help the teacher better understand certain behaviors or problems.

### After the Conference

Discuss the conference with your child. Be positive. Point out the good aspects before discussing areas that may have been identified for improvement.

Conferences with an Administrator can be scheduled only after the Parent-Teacher conference has been determined, by either party, to be unsuccessful in helping the child.

As stated under Administrative Operation, parents are not allowed to approach teachers or the school staff concerning school-related business during church services, nor non-school hours.

## **Booster Club**

The primary mission of the Booster Club is to support the NLCAH students and administration by encouraging and nurturing an enthusiastic interest within our community in all events in which the students participate. Parents are in partnership with the staff of NLCAH in working for the children's best interests and educational development. Scheduled meetings are held to provide more parental involvement and opportunities to sharing in their children's learning experiences. Participation is encouraged by all.

## **Visitors/Volunteers/Chaperones**

All visitors, students or adults, and volunteers must sign in at the front office. Visits should be timed to avoid interrupting instructional or testing activities; therefore, it is requested that visits with a teacher be pre-arranged. Student visitors may **not** come to the campus for social reasons during the school day. All Volunteers must complete

an application form and background check, and must be approved before being allowed to volunteer. Volunteers are not allowed to approach teachers & classrooms for anything other than what they have come to assist with.

All Chapel visits must be pre-approved.

Chaperones: Field trips will be on 1<sup>st</sup> come, 1<sup>st</sup> serve basis, pending application approval. **An equal opportunity will be made available for all parents willing to assist.** Field trips/activities involving multiple grades will have an equal number of chaperones across the grade levels.

## **Part B. Educational Records**

### **Grade Reporting**

Progress reports will be provided twice during each grading period. This is one of the main contacts that a teacher has to inform the parent of the student's progress—If you have not received a progress report within 1 or 2 days of the **distribution** date, please contact the teacher.

Report cards will be distributed within 1 week after each grading period to the primary mailing address on file. Any changes to the distribution dates will be announced.

### **Student Records**

The Family Education Rights and Privacy Act (FERPA) afford parents and students over 18 years of age certain rights with respect to student educational records.

The parent/student may review the student's education records within 45 days of the day the school receives a written request for access indicating the records he/she wishes access to. The principal will make the necessary arrangements and notify the parent/student of the time and place where the records may be reviewed.

The parent may request amendments to the education records if he/she believes there are inaccuracies within 14 days. He/she must submit, in writing, the part of the record he/she wants changed and provide proper documentation to prove the inaccuracy. All documentation will be reviewed, and amendments approved, by a school administrator.

FERPA requires that, with certain exceptions, your written consent be obtained prior to the disclosure of personally identifiable information from the student's records. If you do not want NLCAH to disclose information from your student's records without your prior written consent, you must notify the office in writing within 3 weeks of the student's enrollment of each school year.

## Record Retention

All student records are retained according to the Texas State Library and Archives Commission regulations. Elementary and middle school records will be destroyed after a 7-year retention period, and high school records [with a complete year] will be permanently retained. The records for withdrawn students are kept for 2 years.

Disciplinary records are not ordinarily retained as a part of the student's cumulative record.

Material in each student's cumulative file is confidential and shall be accessible only by permission of the school administrator or principal.

Information on the student's permanent record will be given out to the following:

1. The parents and students upon request of the parents.
2. Prospective employers upon receipt of parent/student authorization.
3. Colleges, universities and military services upon the parent/student's request.
4. Police by parental permission or by warrant or court order (Parents will be notified).

## Transcript Request

A parent may request a copy of the student's transcript. The first copy is free. To request a copy (No verbal or telephone request will be honored):

1. Complete a Transcript Request Form
  - If the request is for an imminent withdrawal, The Withdrawal Process must be initiated
  - If the request is for records review, The Student Records Process must be followed
2. Provide the processing fee of \$5.00

Faxed requests will be accepted if payment arrangements have been made.

Requests not accompanied by payment will not be sent until payment is made.

Official transcripts are issued directly to institutions and employers. Official copies are signed, have an imprint seal, and are sealed inside an envelope. Personal [unofficial] copies may be issued to parents.

A period of 5 to 7 business days is required for processing.

*Note: all requests are processed in the order they are received.*

## Section III. Academia

### Accreditation

New Life Christian Academy Hybrid is fully accredited by the International Christian Association (ICAA) and the Texas Education Agency (TEA).

### Education and Training Provided

The New Life Christian Academy Hybrid provides both academic and Christian training to all students. We believe in putting God first in all that we do, so every morning, we set aside time for devotion and training from the Word of God. Although the remainder of the day is devoted to academic training, the environment is always one of Christian love. We believe that we are called to raise and prepare the next generation for the purpose which God has made them. Our goal is to see that each student reaches his or her maximum potential. Our school provides a wide variety of curricula for students.

### Subject Matter

Bible Training and Chapel	Physical and Life Science
Mathematics	History and Social Sciences
Literature, Grammar/Composition & Vocabulary	Physical Education
Health and Art	Foreign Language

1. Teachers need the full support of parents to maintain discipline and order in the classroom. Each student is responsible for his conduct and must respect the rights of others.
2. Completion of homework and all assignments reflects character. Students are responsible to bring homework in; failure to do so will result in a "0" for that assignment.
3. When your child is absent from school and needs his/her homework assignment, please call the office in the morning. The teachers will be notified and a homework folder will be created for all of your child's classes. Homework assignments can be picked up at the end of the school day or sent home with another child, if requested.

## Homework Policy

Home study and work is a necessary part of each student's educational program. Conflict between homework and other activities does not lessen the student's responsibility for completing assignments on time. One to two hours is an ESTIMATE of the amount of time required per night for the average student to complete his/her assignments.

### Wednesday Homework Policy

Homework is not to be administered on Wednesday with the expectation that it is due on the next day. If homework is given on a Wednesday, the soonest it is expected to be turned in is on the Friday immediately following.

### Incomplete Grades

All term/semester incomplete grades must be made up and submitted to the office within the first two (2) weeks **[10 school days]** of the following marking period. Students not finishing the make-up work on time receive zeros for the incomplete portion and the grade is then computed.

### Incomplete Work

Whenever a student does not complete several assignments, the teacher will contact the parents. Various options will be considered by the teacher and parents as a means of improving the student's performance. Any late assignments that are allowed to be made up will be given a reduced grade.

## Academic Planning

### Chapel & Assemblies

Regular required chapel is scheduled for all students. Chapel services provide an opportunity to hear special speakers, musical groups, and view films. Students must bring their Bibles. Quiet and courtesy are expected. **[Grades and assignments can result from attendance/participation; therefore, this is not the time for your child to miss due to appointments]**

## Testing

### Classroom Tests

Oral and written tests are given to assist teachers in the evaluation and learning processes. There is to be no communication between students during any test or examination. Cheating, in any form (i.e. copying homework, test information, inappropriate cell phone use, etc), will result in a zero grade for that assignment and possible detention or suspension as deemed by administration.

## **Standardized Tests**

In addition to routine classroom examinations, students are evaluated through standardized testing.

At least one battery of achievement tests is administered annually to students in grades K-11. The tests serve as one type of measurement of a child's academic progress and potential in relationship to others in the school, state and country.

## **Scholastic Probation**

Scholastic Probation is the process of closely reviewing and monitoring a student who has barely met minimum academic requirements and/or who is failing a course.

### **For New Students**

1. Grades and academic performance will be reviewed by the teachers and administration on each reporting period [progress reports & report cards] for the designated probationary period.
2. An '80' or above must be maintained in each & every subject for a minimum of nine consecutive weeks.
3. Based on the Entrance Exam, attend tutoring in the required subject.
4. Home Schooled students will be assessed by the administrator.

### **For Current Students**

1. Grades and academic performance will be reviewed by the teachers and administration on each reporting period [progress reports & report cards] for the designated period.
2. A '75' or above must be maintained in each & every subject for a minimum of nine consecutive weeks.
3. Tutoring is mandatory for a minimum of the 1<sup>st</sup> 9 weeks of the probationary period.
4. Prompt attendance and preparation is a must for all classes.

Consequences for the student's inability to meet the above objectives include. But not limited to the following:

- Grade Retention - Repeat of the entire academic year [no credits awarded]
- Subject to dismissal from NLCAH by the administrator.

(An academic dismissal does not allow the student to re-enroll at a later date.)

## **Discipline**

At NLCAH high standards of conduct at all times are one of our primary goals. The setting of these standards must be based on the Word of God (Proverbs 16:32), with any subsequent variation from these standards treated as prescribed in that same word (Proverbs 3:12; 19:18; 22:15; 23:13; 29:15).

Positive signs of increasing self-control and obedience to authority are demonstrated by a student who is diligent, neat, quiet, practices good posture, courteous to others and stays within the limits imposed by those in authority. Within the classroom, three basic rules apply: (1) Only talk with permission; (2) Remain in assigned seat or workplace; (3) Stay on task at all times. Being on time, honest, practicing good manners in the lunchroom, cooperating with fellow students and teachers, and showing respect for others as well as himself, toward property and authority also fall within the realm of presenting oneself "holy and acceptable unto God" (Romans 12:1).

Corrective Discipline will be administered the first time misbehavior occurs, either by oral correction or removal from the classroom. Sarcasm or public embarrassment will not be used as a form of discipline.

Suspension and/or expulsion may be used by the school administration to deal with chronic or serious behavior problems. Any suspension exceeding three school days and all expulsions will be subject to review by the school board. Suspended students are not allowed on campus for games or any other school related activities, during or after school hours.

Paramount in all the above policies regarding discipline shall be the concern for serving the best interest of the student and the school and glorifying God in all our activities and decisions.

## **Questioning Students**

A student may be questioned by any New Life Christian Academy Hybrid Administrator or Staff member regarding the student's own conduct or the conduct of other students. In the context of school discipline, students have no claim to the right not to incriminate themselves.

## **Disciplinary Measures**

1. The school administrators are responsible for maintaining discipline in the school for the progress, conduct, and welfare of each student. It is their duty to maintain good order and conduct in the school. To enable the staff to discharge their duties effectively they must be permitted to discipline a student, as it becomes necessary, for his misconduct.
2. It is neither the policy nor the practice of the school administrator to use any unreasonable or excessive force upon any student. It may, however, become necessary to discipline a student for his misconduct or misbehavior by mildly spanking him. It is therefore required as a condition of enrollment that each parent sign a Permission to Use Disciplinary Measures Form wherein the parent gives his permission to the administrator to use mild spanking as a disciplinary measure.
3. In the event of extreme misconduct on the part of a student, it becomes necessary to use disciplinary measures other than mild spanking, the parent will be notified either by telephone, in person, or in writing of the student's extreme misconduct. The administrator will not use any disciplinary measures other than mild spanking.
4. **FIGHTING:** Fighting will not be tolerated. Any student who fights in school will be IMMEDIATELY suspended for a minimum of three days. A repeat offense of fighting will constitute in permanent dismissal. NO EXCEPTIONS!!!!
5. **CHEATING:** Each student is expected to do his/her own work on all tests, projects or assignments. Cheating is a serious offense. If a student is caught cheating, he will receive a "0" on the assignment or test, and may be suspended for a minimum of one day. These guidelines will apply to the person copying as well as the person who supplies the material to be copied. A repeat offense of cheating may result in a permanent dismissal.

6. All lockers, bookbags, backpacks, and purses are subject to inspection at any time without notice.
  
7. A. Students are not allowed to bring any electronic games to school. Such items will be confiscated. The Academy is not responsible for students' valuables.
  - B. **Cell phones cannot be in use during school hours; this includes phone use as a camera.** If cell phones are used during school hours, they will be confiscated.
  - C. Confiscated items may only be returned under the following conditions:
    - 1<sup>st</sup> Infraction: \$15 fine
    - 2<sup>nd</sup> Infraction: \$25 fine and conference with parent
    - 3<sup>rd</sup> Infraction: Item will not be returned

**Note:** Online Academy may require student's use of their personal electronic device. In these instances, the student is to keep the device with the teacher making the requirement.
  
8. The following infractions could result in immediate suspension or complete removal from school:
  - a. Possession or use of alcohol, tobacco, or illegal drugs
  - b. Immoral sexual conduct (engaging in offensive conduct of a sexual nature, whether verbal or physical; this includes hugging among students)
  - c. Illegal possession or use of fireworks, explosives or weapons
  - d. Conduct tending to reflect serious discredit to the school
  - e. Vandalism or willful destruction of property, or stealing
  - f. Defiance and disrespect for authority
  - g. Gang membership or the endorsement of gang practice is not permitted
  - h. The penalty for gang membership is expulsion without appeal
  - i. Use of profanity, vulgar language, obscene gestures, or racial slurs
  - j. Body piercing and tattoos
  - k. Misbehavior and bad conduct (such as truancy from class)
  - l. **Horse playing that causes bodily injury to another student.**
  - m. Any and all other violations that are not conducive to the purpose or mission of the Academy

**Inappropriate relationships:**

There will be no boyfriend/girlfriend type relationships at New Life Christian Academy Hybrid. Dating is a marriage-oriented behavior that will not be condoned nor tolerated. Individuals showing this type of behavior will be separated, and their parents notified. Disciplinary action resulting from such infractions will range from detention, suspension, to

expulsion (depending upon the severity of the situation). The final decision will at the discretion of the Director, Superintendent or Chancellor.

**SUPERINTENDENT'S NOTE:** Any irate parent using abusive language will be escorted from the property by the proper authorities and the parent and child will be dismissed from the Academy. This also applies if the teacher is approached in like manner during non-school hours.

### **Disciplinary Probation**

1. Disciplinary Probation is the process of monitoring and reviewing a student's misconduct in and outside the classroom who has been referred to the administrator more than twice.
2. If the student chooses to conduct himself in proper order and is not referred to the administrator within nine consecutive weeks, he will be taken off of probation.
3. If the misconduct continues, the student may be dismissed from the academy by the administrator.

## **Student Health & Safety**

### **Health and Medication**

1. Parents and students are required to inform administration of any special health or medical conditions.
2. Due to state regulation, before commencement of attendance, the parent must present an up-to-date inoculation of immunization records for each student that the parent will enroll.
3. Students with any type of contagious disease will not be permitted in the school. In addition, students who contract communicable and contagious diseases or illnesses, to include, but not limited to, pink-eye, fungi, ring-worm, or lice, etc. while in attendance at the school will not be permitted to continue in attendance until a physician certifies that the critical stages of the disease or illness have passed.
4. No medication, or food supplements, will be administered to any student without the expressed written consent of the parent. Such consent shall be given by the parent's completion of a Permission to Administer Medication form. In addition, parents must also complete an Emergency Medical Consent form.
5. Any student dispensing any form of medication, herbs, or food supplements, to another student may be subject to expulsion.

6. Required annual screenings are done on all students as listed below unless a parent provides a note stating otherwise to be filed in the nurse's office:
  1. Vision - K, 1, 3, 8
  2. Hearing - 1, 4, 7, 10

### **School Nurse**

NLCAH has a qualified nurse on staff. First aid is provided only, no diagnosis of an illness. For whatever the reason, it may be necessary for the nurse to refer to the parent to seek medical attention for the student. If upon review such a referral is not made, and the parent chooses to have a 2<sup>nd</sup> opinion, the medical expenses incurred are the sole responsibility of the parent.

### **Classroom Removal**

Any student deemed to have a serious illness of a contagious nature will not be allowed to remain around the other students while waiting on parent pick up. A student recovering from a communicable disease must report to the nurse or provide a 'release to school' note from a doctor prior to being readmitted to class.

### **Traffic Safety**

During morning drop-offs and afternoon pick-up the speed limit is 10 mph. Designated lanes are made to ease the flow as well as to monitor the children as they proceed to/from the vehicles. Driving/parking in undesignated areas is prohibited.

Note: NLCAH is a closed campus. Students are not permitted to come and go as they please; and all visitors and guests are required to sign-in at the front office.

### **Attendance**

The student must attend at least 90 percent of the days school is in session. Any student who attends less than 90 percent will not be promoted, regardless of grades. A written notice will be sent to the parent if the student has accumulated 10 absences and is at risk of falling below the 90 percentile.

## **Tardiness to School**

Any student not in his/her assigned seat at 8:00 a.m. will be counted tardy. After 9:00 a.m., he/she is counted as absent.

1. Tardiness will take the following process:

- 1<sup>st</sup> Verbal warning
- 2<sup>nd</sup> Written warning to parent
- 3<sup>rd</sup> Phone call to the parent
- 4<sup>th</sup> \*Unexcused Absence
- 5<sup>th</sup> Parental fine of \$15
- 6<sup>th</sup> Parent Conference

\*Every 4<sup>th</sup> Tardy is counted as an unexcused absence

## **Excused and Unexcused Absences**

If a student is absent, on the 1<sup>st</sup> school day he returns, he must bring a note stating the reason for the absence. All doctor's notes and only 2 parental notes per semester will be considered as excused absences; all others are unexcused.

### **Excused Absences**

#### **General**

1. Personal Illness - The administration reserves the right to make a final determination in questionable cases.
2. Death Within the Family - A death within a student's immediate or extended family will be considered an excused absence. The length of such absence may vary from case to case. Therefore, the administration reserves the right to make individual judgments.
3. Family Emergencies - This category refers to cases of family illness, hardships, and unexpected circumstances. Because of the nature of these cases, the administration reserves the right to make individual judgments concerning validity of requests and actual number of days.

#### **Pre-Notification**

4. Family Vacations - Students may be excused, at the request of the parents and the discretion/approval of the administration, for up to five (5) consecutive days and no more than a total of ten (10) days per school year.

5. Professional Appointments- Professional appointments (i.e. appointments with doctors, dentists, etc.) provide reasons for legitimate student absenteeism. The administration reserves the right to request notes from any professional if confirmation of the absence is needed. **Whenever possible, professional appointments should be made after school hours.**
6. Approved School Activities - Students missing classes for field trips, athletic events, etc. will be considered excused if such activity is sanctioned by the administration. These absences will not be recorded on the student's attendance record.
7. Homebound Instruction - Certain situations may occur (e.g., surgery) that require a student to miss school for an extended length of time. The administration requires appropriate written verification of such absence.
8. Miscellaneous - It is possible that occasions may arise, other than those listed in this section, necessitating a student absence. The administration shall make the sole determination of whether such an absence is excused or unexcused.

### **Make-up Work (Excused Absence)**

When prior notice is not required the student will have two (2) calendar days for every school day missed to a maximum of ten (10) days to complete make-up work. Some assignments such as **term papers**/special projects are to be turned in by the due date required. The **student is responsible** for securing from the teacher or a fellow student a listing of assignments missed and for completing those assignments on time when he is absent for any reason. Teachers are not expected to pursue students to see that work is made-up.

### **Unexcused Absences**

All student absences not declared as excused absences will be recorded as unexcused absences. Examples of unexcused absences include, but are not limited to, the following:

1. Not following proper absence declaration procedures.
2. Missing class without proper notification.
3. Not providing proper notice of absence when prior notice is required.
4. Absence (whole day or partial) not deemed acceptable by the principal.
5. Suspension.

### **Make-up work (Unexcused Absence)**

Class work, participation grades, and regular assignments due on the day or days of unexcused absences will receive no credit for each day of class missed. Missed tests and quizzes must be taken on the day the student returns to school [i.e. the 1<sup>st</sup> class session upon the student's return]. Special assignments (e.g. term paper) due

during the unexcused absence/truancy must be turned in the day the student returns to school. Please remember that declaring a student unexcused is an administrative decision, not a student/parent prerogative. Therefore, a student is not necessarily excused because a parent calls.

**NOTE:** All excused and unexcused absences are applied to the total absence count. **The only difference** is that the student may make up the work if the absence is excused.

## **Truancy**

Truancy is defined as being absent from school without the parent's permission and the school's permission. The student will receive a zero (0) for all work required for that day, including any missed tests or quizzes, and assigned a minimum of a detention.

It is the parent's responsibility to ensure that the student is in school every instructional day. If the parent/guardian has been informed in writing of the student's in-attendance as required by law, a court complaint may be filed against the parent/guardians.

## **Student Release from School**

### **After School Pick Up**

1. Early pick up of students will only be allowed in cases of true emergency and Doctor's appointment. (*Not for convenience*) Removal of a student before the end of the lesson may result in the student receiving no credit for the present assignment.
2. No student will be permitted to leave the school with someone other than the parents, unless the parent notifies the administration of the same with a written note. (ID is required)
3. School dismissal is 3:30 p.m. A \$30.00 fee will be assessed if students are not picked up by 2:35 p.m.
4. Students in the Eagle Enhancement Program must be picked up by 5:00 p.m. Late pick up will be charged \$35.00.

### **Non-Parental Pick Up**

1. If the student must be picked up by someone other than the persons specified on the student's application, a written notice must be received by the school no later than the morning of the pick up. This notice may be faxed, however, phone notices are not honored. Picture ID is required at

the time of pick up.

2. The school staff will not be held responsible for pick-up arrangements between parents.

## **Early Release**

Throughout the school year there are set days in which the students will be dismissed before the end of a full day, although these days will count for a full day. These 11:30 a.m. dismissals include, but are not limited to the beginning of holiday, end of grading period, and semester exam days [secondary students]. Eagle Enhancement is not available on Early Release Days.

## **Section V. Miscellaneous**

Each student is to maintain his/her locker in a neat, clean, and orderly fashion. Pictures, decorations, and notes can be displayed using **magnets** to preserve the paint on the lockers. [At the end of the school year, the student must remove these without damage to the locker.] Locker inspections will be conducted as necessary to assist students in this responsibility.
